

Languages, Literacy & Communication

Literacy

Text: During this term we will be studying characters, writing descriptions, diary entries, non-chronological reports and re-telling stories. We will be studying the class book *The Tin Forest* and completing work on the topics of *The Gun Powder Plot*, *The Great Plague* and *The Great Fire*

Welsh

Writing -

Write personal profiles, write about where they live and create a brochure, write an email, create an imaginary postcard, write about someone else and to write a paragraph from fact files.

Reading -

Practice reading aloud independently and sequencing a dialogue. Matching questions and answers

Oracy

Talk about self in present and past tense. To take part in a dialogue and Survey what pupils like doing in the park.

To hold a TV interview about home town.

Expressive Arts

Music - Singing and playing instruments associated with *The Stuarts*.

Art -

Creating paintings using water colours, pastilles and silhouettes. Drawing with emphasis on line and tone.

Other information:

- PE - Will be every Thursday. The children will wear PE kit to school.
- Homework: Will be given out on Friday on Dojo and needs to be completed and saved onto the children's Portfolios.
- No reading books will be sent home for the foreseeable future. We will provide the children with passwords for Purple Mash and Oxford Owl. Children will be expected to read regularly and complete set tasks.

This curriculum map was built from the children's thoughts and ideas for our new topic.

Mathematics & Numeracy

We will be looking at time involving minutes and seconds and how long activities last along with experiments in science. We will be examining Venn & Carroll diagrams and reading and drawing graphs which we will be using in our topic work.

We will also focus on problem solving with money. Through our daily maths activities we will also look work on number bonds to 100, multiples of 100, place value to 1000, 2 to 5 x tables, telling time to 5 minutes, measuring using cm and mm, doubling and halving digit numbers.

Year 3 Autumn Term 2020
