

Languages, Literacy & Communication

Literacy

Non chronological report about France and the Rugby World cup

Looking at life in Roman Britain

- Letter writing from soldiers' home.
- Newspaper report
- Re-telling the story of Romulus and Remus
- Explore Welsh place names in Roman times
- Latin words in our language today.
- The naming of the months of the year.

Welsh

- We will learn how to describe things using the past tense; where we went, what we saw, what we had and what we heard.
- We will learn how to tell the time; o'clock and half past.
- We will use money.

Expressive Arts

- Learn a Roman dance. What parts of Roman training can be incorporated?
- Mosaics.
- Portraits
- Thumb pots
- Pastille pictures of Monet's Water Lilies.

Other information:

- PE will be every Wednesday until half term. The children will wear PE kit to school.
- Homework: Will be given out on Friday on Dojo and needs to be completed and saved onto the children's Portfolios or Google classrooms
- Reading books have been sent home and the children all know their day to return them. We have provided the children with passwords for Purple Mash and Oxford Owl. Children will be expected to read regularly.
- *This curriculum map was built from the children's thoughts and ideas for our new topic*

Mathematics & Numeracy

We will use our numeracy skills to:

- Identify how many games will be played in the Rugby world cup.
- Use Roman numerals
- Identify and use symmetry in mosaic patterns
- Shopping in Roman times to create a feast, while keeping to a budget
- Measuring performance of children at the Roman bootcamp; throwing and running
- Analyse the performance, mode and median.

Year 4 Autumn Term 2023

Our Past, Our Future.

Mr Yendle

Henllys Church in Wales School

Health & Well-being

- Rugby and gymnastics
- Roman training boot camp.
- How have Roman training methods influenced sport today?
- Roman food tasting/ street food. How healthy was the Roman food?

Humanities

Geography -History

- Identify France on a map, all the main cities and surrounding countries.
- Identify features of a Roman town, re-creating using MineCraft
- Experience the Festival of Saturnalia.
- A day in the life of a Roman soldier (uniform, training, weapons)
- What was Roman food like?

Religious Education

- Why do we give thanks at harvest time?
- How do we show respect?
- Learning about the Bible and its layout.
- What is peace?

Science & Technology

Science

We will be learning about materials and their properties in the context of roman equipment and buildings.

We will learn how forces are applied to objects and the forces that act to slow objects down.

How we can create sound and how to change its pitch.

ICT/DCF

We will focus on the correct layout for word processing.

We will learn how to de-bug and edit programs when coding.

How to present collected data using data handling programs.

We will continue to learn about how to keep safe on line.
