

Henllys Church in Wales School

Professional Learning Grant Plan

2022/2023

It is a Welsh Assembly Government (WAG) requirement that we keep parents informed about the professional learning that takes place in school and our use of the professional learning grant.

During 2022/23, Henllys Church in Wales School was given £4084 to spend on professional learning. We have used this money to release teachers to take part in a variety of training linked to their professional development and the implementation of the new curriculum which became statutory in September 2022.

Here are some examples of what we have been doing:

- Three senior leaders completed the 'WalkThru' training.
- Two senior leaders completed the EAS coaching and mentoring course.
- One member of staff undertook the Middle Leaders Programme.
- Areas of Learning and Experiences Team Leaders attended EAS network meetings.
- Whole staff training on the ALN bill and ALN reform.
- Teaching Assistants completed various intervention training e.g. TEN-DD and Eiklan training.

If you require any further information, please contact the school directly.

Growing and Learning Together Through the Love of Christ
