

Eco-Schools Action Plan

School name: Henllys Church in Wales School

Date range of this plan: 2023- 2024

Our overall aim(s) for this topic:

Eco code to be known by all including Gov

Use the forest school area in all year groups.

Minimise waste with regards to electricity.

Develop consistent approach to recycling.

Develop the school grounds with a link with Worship warriors.

To gain Green flag

Problem statement	Actions that can address the problem	How will you implement the identified action?	What will success look like?
Develop a consistent understanding of Eco code	Update eco board and assembly	Talk to children about eco code	Eco – code created by Eco – Committee - October 2023 All classes have code displayed and signed
Link Gobs with eco committee	Develop link Gov	Address Gov	Mr Jones is now our link Gov
Use the forest school area in all year groups.	All year groups to use the school grounds effectively.	Children to talk about using the outside area in class work throughout the year	Children from Eco – Committee have spoken to their class teachers concerning the importance of outdoor learning in the classroom. Evidence in journals and portfolio.

Problem statement	Actions that can address the problem	How will you implement the identified action?	What will success look like?
Minimise electricity waste.	Audit	Assembly Assign light monitors	Graphs shown to Eco – Committee in November and March. Children led a worship encouraging lights to be turned off. In Eco Committee meeting a reduction was seen.
Develop the school grounds with a link with Worship warriors.	Plant new plants. Develop areas.	Link plants to Biblical stories	Eco – Committee completed a March audit with well – being warriors.
Create a community link by growing vegetables and selling them.	Polytunnel Beds to have fruit and vegetables	Each class to grow vegetables	Polytunnel purchased by Friends of Henllys. Eco – Club currently planting and preparing polytunnel.
Links with the community to be established.	Discuss with people linked to school.	Minutes from meetings	Minutes on website
Develop consistent approach to recycling throughout the school	Link with recycling team.	Monitor recycling through recycling team Weekly award	Award given out weekly. New reward system and updated eco trophy.

Which of the UN Sustainable Development Goals does our Eco-Schools Action Plan cover?
