

Languages, Literacy & Communication

Phonics: Phase 5 revision and further sounds. High frequency words will also be a focus of daily phonics sessions.

Text: Tell me a Dragon

Our text based work will cover a range of skills in oracy, reading and writing. Children will discuss and plan their own ideas before completing activities such as character description and story writing. We will also explore non-fiction texts and instruction writing, using the book 'Dare to Care: Pet Dragon'.

Welsh: We will be learning language patterns to allow us to talk in the past tense.

Expressive Arts

Art

We will design and create our own dragon eggs as a basis for our literacy work. We will develop our skills when using clay, creating dragon eyes and experimenting with creating different textures in the clay.

Music

Violin project. Eisteddfod performances. Chinese music linked to Chinese New Year dragon dances.

Dance

REAL PE

Mathematics & Numeracy

Reading and writing numbers beyond 100, continuing to develop a secure understanding of place value.

Written methods of addition, subtraction, division and multiplication. Further developing mental maths skills, making connections between numbers.

Explore money recognition and values. Using money in real life contexts as part of our 'Mini Enterprise' project.

2, 3, 5 and 10 times tables.

Year 2 Spring 2025 Topic: Dragon's Den

Henllys Church in Wales School

Health & Well-being

Personal & Social Education

Daily Mile and mindfulness. Truthfulness and Perseverance in Values based learning.

Physical Development

REAL PE: Balance and Dance

Humanities

History/Geography

How has Cwmbran changed and developed over the years?

What is in our local town?

Exploring maps, using Google Earth.

Religious Education

Value based learning - Truthfulness and Perseverance
Why does Easter matter to Christians?.

Exploring Islam - What is Eid-ul-fitr? What do Muslims use when they pray?

Science and Technology

Science

Exploring the properties of light and sound.

Creating musical instruments - link to Chinese New Year.

Making dragon shadow puppets.

Exploring the properties of materials.

Technology

We will be designing, making, advertising and selling a product as part of our Mini Enterprise project.

Creating fabric puppets using and developing sewing skills.

Other information:

Home Learning: This will focus on spelling practice (words shared on Spelling Shed) and reading.

Throughout this term our learning will continue to be shaped by the children's suggestions.

PE Day:

Thursday

PE kits will be worn to school and throughout the day

This curriculum map was built with the children using their thoughts and ideas for our topic.
