

Stories That Changed Our World

Small voices...
BIG changes!

Blwyddyn 1 Autumn Term
Greta and the Giants

The Four Purposes

Ethical, informed citizens

- Explore how our choices can help protect our world and make a difference.
- Understand fairness, responsibility and respect for all.
- Become active and thoughtful citizens.

Enterprising, creative contributors

- Use creativity and imagination to find solutions to real-life problems.
- Work collaboratively on projects.
- Share ideas and take initiative.

Ambitious, capable learners

- Investigate plant growth and the natural world.
- Measure and record information.
- Ask questions and apply knowledge.

Healthy, confident individuals

- Learn about diet, exercise and wellbeing.
- Care for body and mind.
- Make positive choices for a healthy future.

The Six Areas of Learning and Experiences (AoLES)

Humanities

- Why should we protect our world/forests/animals?
- Share ideas about where our favourite places are, near or far away, and what memories they hold for us.

Science and Technology

- Investigation: "How Can We Clean the Water?"
- Design a filter that makes the water look cleaner.

Health and Well-being

- How do I feel about what happens in the story "Greta and the Giants?" What can I do about it?
- Litter pick
- Feelings graph based on Greta's feelings throughout the story.

Expressive Arts

- Make clay woodland animals
- Leaf printing
- Nature weaving
- Create music using natural materials
- Compose 'The Giant's March'.

Languages, Literacy and Communication

- Share ideas and thoughts about the story.
- Read and explore a range of texts and information.
- Create and present persuasive posters and animal fact files.

Mathematics and Numeracy

- How do we travel to school?
- Create a tally chart.
- How much rubbish is collected on a litter pick – recyclable / non-recyclable? Create a Venn diagram.
- Sort leaves according to a range of criteria – Carroll diagram.
